www.uso.org (offers volunteer opportunities and resources)

The **USO's** mission is to lift the spirits of America's troops and their families. A nonprofit, congressionally chartered, private organization, the USO relies on the generosity of individuals, organizations and corporations to support its activities. The USO is not part of the U.S. government, but is recognized by the Department of Defense, Congress and President of the United States, who serves as Honorary Chairman of the USO. The USO provides programs and services at more than 180 locations worldwide. Whether they're deployed to a war zone or stationed overseas, service members are only a request or a visit away from receiving a range of USO services. And when they can't physically visit one of our remote locations, we can come to them in the form of USO2GO or even Mobile USO. In addition to a number of programs that can be viewed on the USO website, most major airports include a USO lounge where military members and their families can rest while awaiting flights.
